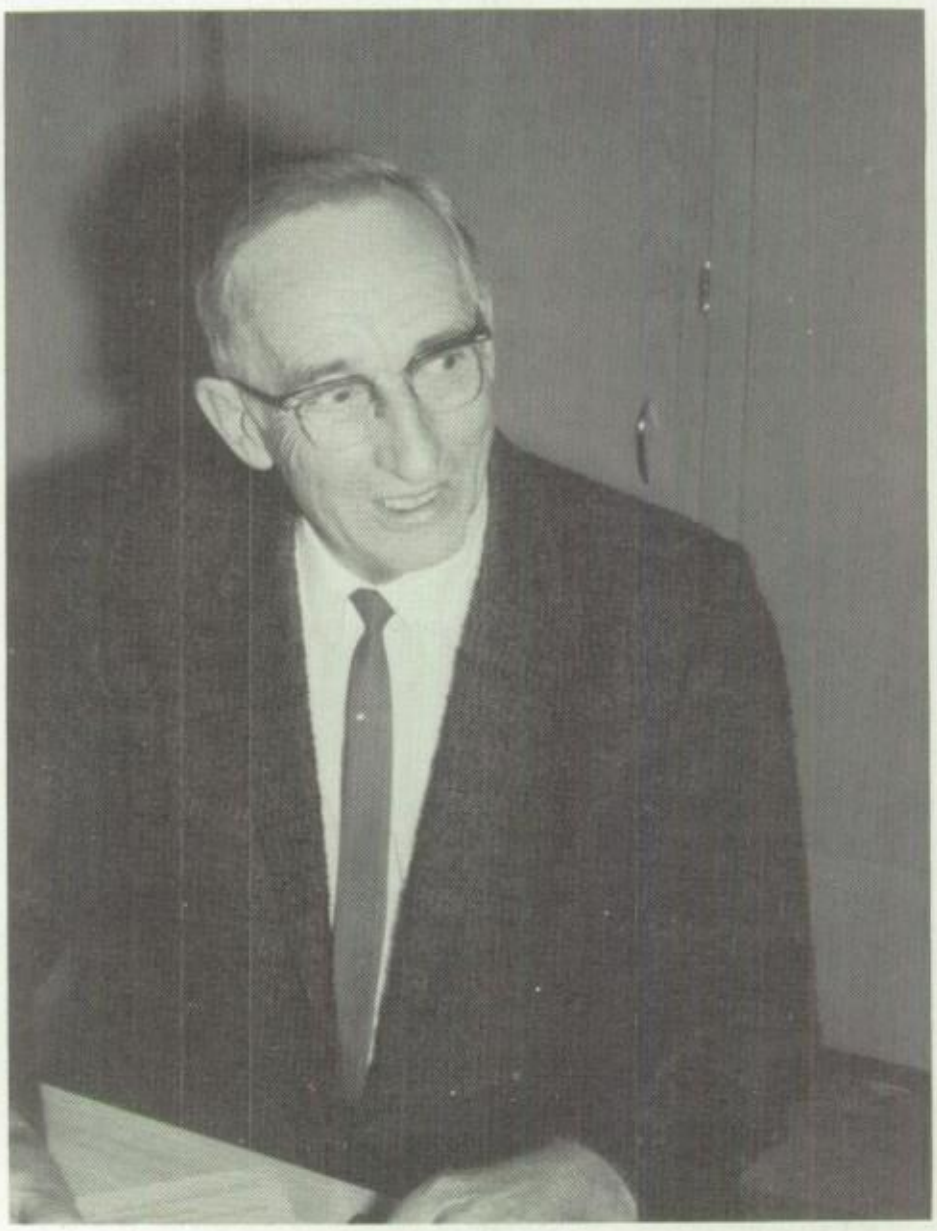
to learn.



DEDICATION

This issue of Les Adieuz is dedicated to the memory of the late Dr. William Albers, a man who lived in our community upwards of 30 years and who served continuously on our School Board for 15 years, a longer tenure in office than that of any Board Member, past or present.

Dr. Albers witnessed the growth of our educational system, and, indeed, exercised a prominent role in the planning stages and in the development of our present modern facilities.

Not only did Dr. Albers give generously of his time and with enduring interest in the physical growth of our community, but he was a champion in stressing the development of the moral fiber of our future citizens. What greater service can a man perform?

STUDENT COUNCIL

Juniors and Seniors

The Student Council started their activities with the annual Homecoming Dance, October 21, 1961. Arnold Smiltnick's Band played for the evening. A slogan contest was also sponsored by the Council for the event.

In December, the Student Council members collected for the Red Cross Drive in school.

The Christmas Party this year was again planned and carried out by the Council. Students were charged admission of one can of food. This was distributed among the needy families in the area. Group singing of Christmas carols brought the party to a conclusion.

The next project for the Student Council was the March of Dimes auction. Business establishments contributed the goods to be auctioned off.

The Student Council members have enjoyed a successful year. They would like to take this space to thank the members of their classes for electing them to this office. It has provided many opportunities and rewarding experiences.

Activities

C.H.S. BAND

Under the direction of Donn Valenti our musical groups were kept active throughout the year, beginning with homecoming festivities. We supplied the music in connection with the dedication of our new school, and our pep band played regularly at half time during the basketball games.

We held our usual winter concert and this past year acted as host to the annual tri-band clinic, involving musical groups from Crivitz, Gillett and Coleman. We also engaged in solo ensembles, and as usual, took part in the Memorial Day activities.

Outstanding activities for the year included trips to Badger Consolidated and the State Fair, and our initial parent and son banquet, honoring achievement winning members of FFA. Jerry Krause received the State Farmer Degree, highlight of the year's awards. Krause became the second State Farmer from the Coleman chapter.

First event of the year was the Snowball, held in conjunction with the FFA. For this activity, the FFA elected John Voelker to be King, and he chose Rose Mary Krejcarek to be Queen. The snowball, as usual, proved to be one of the highlights of the year in the activities of the school.

The degree committee judged the projects of the girls working toward junior and chapter degrees, and awarded them with pins of achievement.

This year the FHA also took over the magazine sales and helped with the March of Dimes drive and took part also in UNICEF. All three projects proved successful.

DRAMA AND FORENSICS

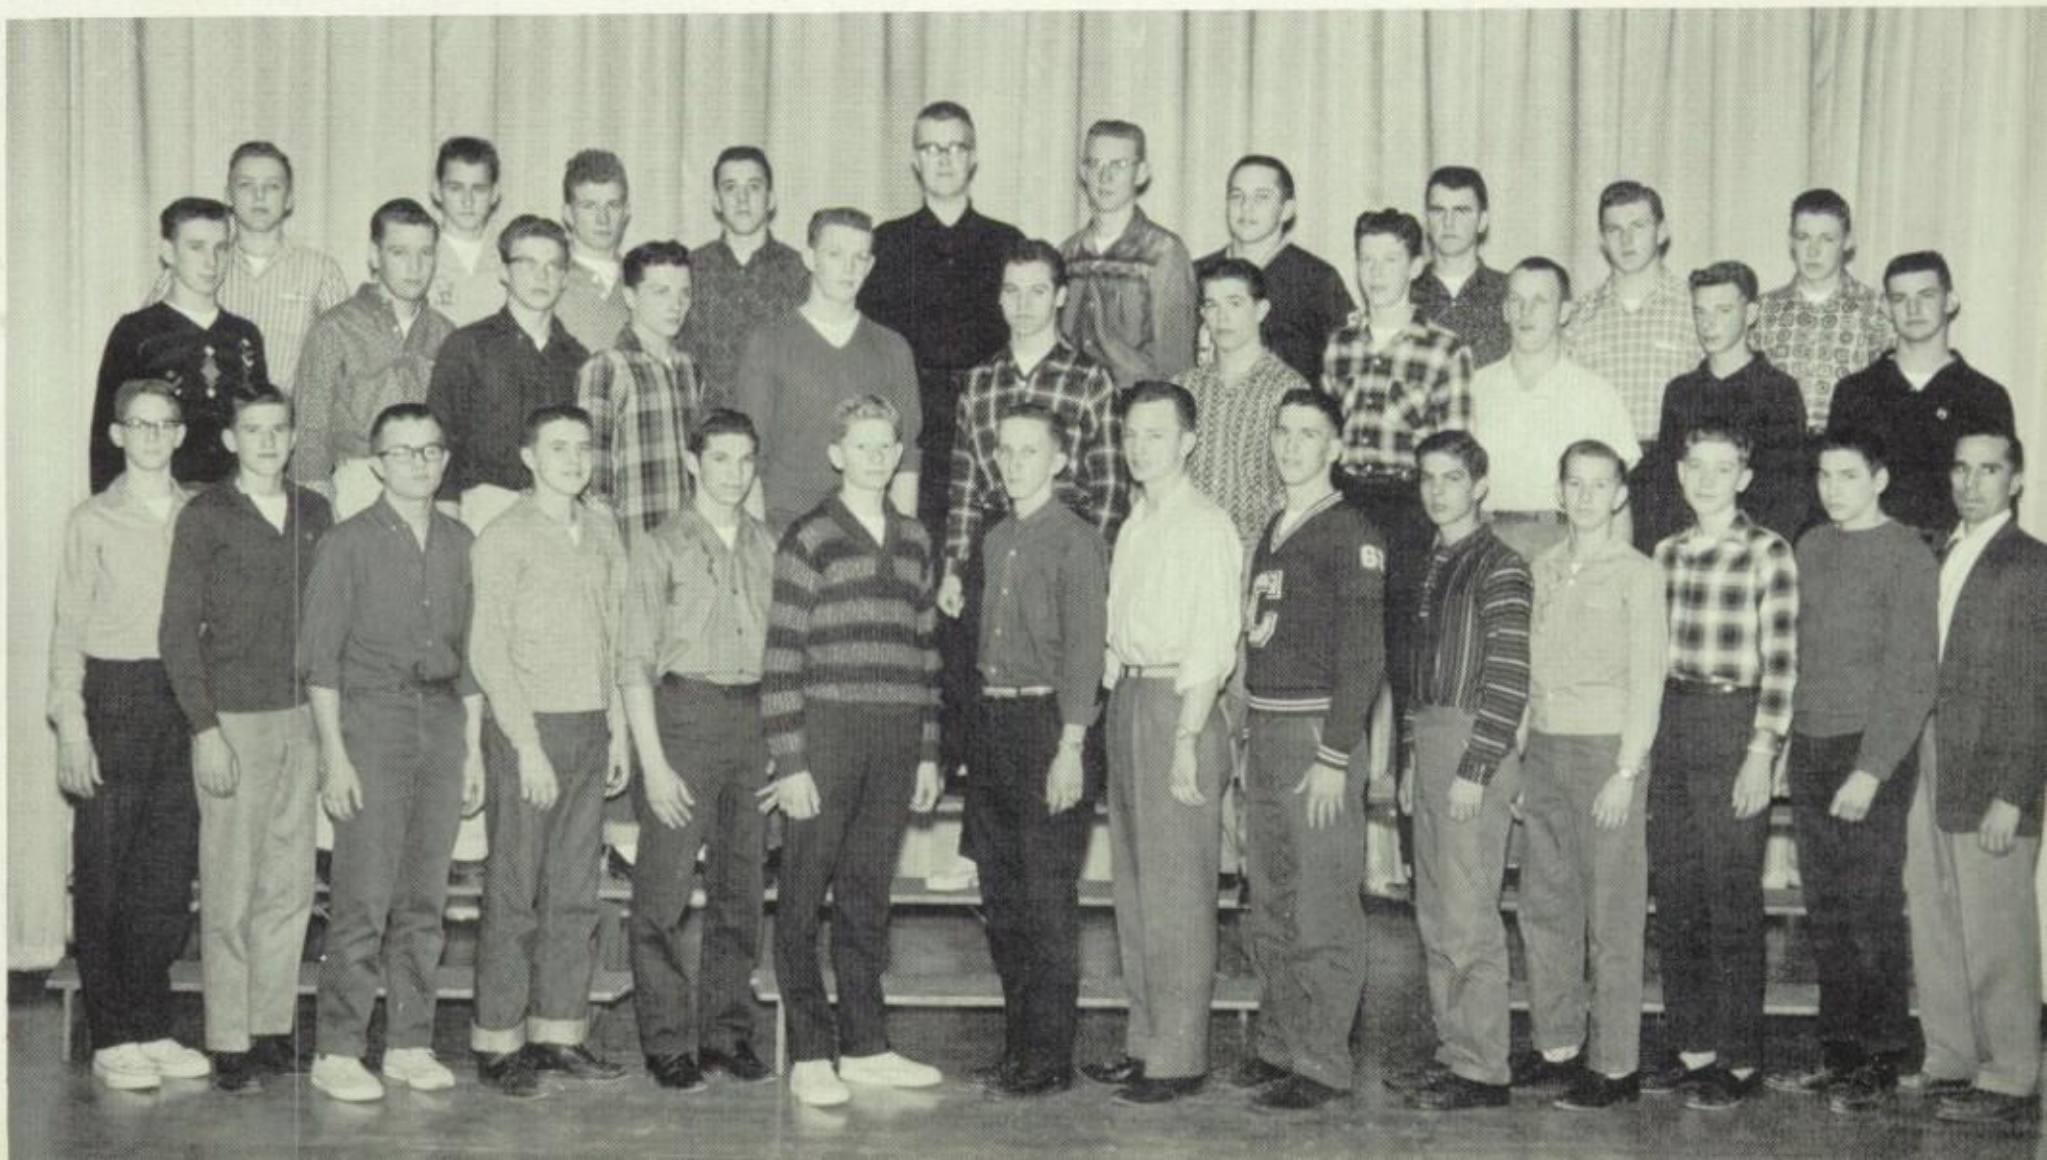
Membership in forensics this year increased three fold over a year ago and was under the direction of Mrs. Valenti, Mr. Gardner and Mr. Bartels. Subject matter included four minute speech, original oratory, public address, non-original oratory, interpretative reading of prose, interpretative reading of poetry, play reading and declamations, both humorous and serious. Winners of our local contest included K. Herzog, C. Durocher, M. Kust, N. Thomson, H. Eisenheim, D. Gunther, R. Bunker, J. Joy, D. Turay, S. Bahringer, W. Temby, S. Wiltzius, E. Mongin, L. Charapata, J. Holley, D. Kalbes, and P. Harley.

SCIENCE CLUB

The science club, under the direction of Mr. Hietpas and Mr. Leaper, was formed and functions as a source for stimulating interest in scientific projects and current scientific progress for those students eager to pursue science beyond the classrooms.

THE ARCHERY CLUB.....

In the friendly and wholesome atmosphere of an archery club, Mr. Rhode, Conservation Instructor, has coupled fun with education to make this group aware of the wild life resources of our state, and the job as individuals we face to preserve and perpetuate this invaluable resource.



Extra!

THE CHRONICLER

This year the Chronicler was edited and produced each month. The staff was chosen from the Office Practice Class and was aided by any of the students who volunteered their services.

We tried to change the layout of the paper completely this year. By using a three column set up, the layout of the pages follow the pattern of a regular newspaper. Larger and various forms of headlines were used as well as more pictures.

We hope that the future staff members will continue to improve the paper with the aid of the students.

CREATIVE ARTS

PEP CLUB

Win, lose or draw, our pep club stood behind the boys from start to finish. The club organized bus trips to all basketball games except a limited number on weekends, and did everything within their power to support the various teams.

Two bus loads of students went down to Madison to help the boys win the state wrestling championship, and Coleman, as a result, had more support at the Field House than any of the other 80 teams competing. This is certainly a strong and positive indication of the school spirit of our student body.

Mr. James L. Richie is our faculty advisor.

Our Officers were: President, Elaine Mongin; Vice-President, Pat Carlson; Secretary, Fay A. Camps; Treasurer, Freddie Woulf.

"C" CLUB

This year the "C" Club of Coleman High School paid off the balance of the whirlpool and purchased a new coke machine with money made from selling coke. The money was also used for flowers for the parents of football and basketball players on Parent's Day and to take the senior "C" Club members to the basketball tournament in Madison. This will also include the two varsity cheerleaders.

Present advisors of the "C" Club include Mr. Kavanaugh, Mr. Douglas and Mr. Nutter.

JUNIOR PROM
1961

"Harbor Lights" was the theme which set the mood for our Junior Prom May 6, 1961. Arnold Smiltnick's orchestra played from a decorated ship while the rest of the gym took on the appearance of a harbor. Delores Maloney and Nick Kinziger reigned as King and Queen. The court of honor was composed of Bonnie Martens and Ronald Brault, seniors; Sally Martens and John Brosig, junior: Faye Camps and Dave Weier, sophomores; Retha Bunker and Jon Carlson, freshmen.

Sports

A season's record of wins and losses tells only so much and no more. It tells how many games were won, how many lost. It offers no indication whatsoever of the material available, the progress made, the breaks or lack of same. It is in short the difference between a fleeting glance and a considered view.

Coach Dee Nutter inherited a squad composed of few boys with varsity experience. It took these boys three games and three losses to learn how to work together. Then they beat Gillett, Peshtigo and Lena in that order. Came then the breaks in the game, and losses in the final two contests to Florence and Suring. The Florence game ended 20-13, but just seconds before half-time, the Cougars had the ball with first down and goal to go on the two yard line. . . . . .and somebody fumbled. In the Suring game the Cougars had the ball on the one foot line with third down and goal to go, and were marching. . . . .when the game ended. Everything considered, it was a successful season, and we all look forward enthusiastically to another year under the guidance of Coach Dee Nutter.

Departing seniors include all-conference selections Jack Vondross and Nick Kinziger, John Brosig, Don Seaton, Oliver Oleck, Dave Hoffman, Karl Rouse, Danny Rhodes, Wayne Bader and Jerry Gusick.

The backbone of any pep organization is the cheerleaders with their capacity to organize and direct. This year's group, under the direction of Mr. Richie, did an outstanding job. Departing cheerleaders--and they will be missed--include Sally Martens, a four year veteran, and Margaret VanLaarhoven. Good luck, girls. The athletes, especially, appreciate your faithful work.

Coach Herbert on the rail, and from left to right, B. Mongin, J. H. Ott, J. Carlson, M. DeWendt, L. Kostreva, R. Camlek, P. Wilting, D. Kostreva, J. Boerschinger, R. Gusick, E. Beaber, D. Weier, and trainers A. Evan, J. Krause, and D. Rysewyk.

This year's basketball team, composed almost entirely of underclassmen, posted a 5-12 record for the season, winning twice over hapless Peshtigo and single games from Marinette, Lena and Phelps. In conference play, the Cougars had a 3-9 record.

Coleman met Marinette in the sub-regional playoffs, but were unable to contain the much taller marines and dropped a 53-34 contest.

Davie Weier led the team in scoring with 272 points, and accounted for 316 rebounds, doing yoeman work on the boards throughout the season. Davie and Les Kostreva were elected co-captains. The only departing senior was reserve forward, Don Kostreva.

With the starting five all back next year for another go at it, Coach Herbert feels confident his boys will provide an interesting year under the nets.

A very promising sophomore,
Ernie Beaber, # 52.

All the boys featured on this page are back for another year of basketball.

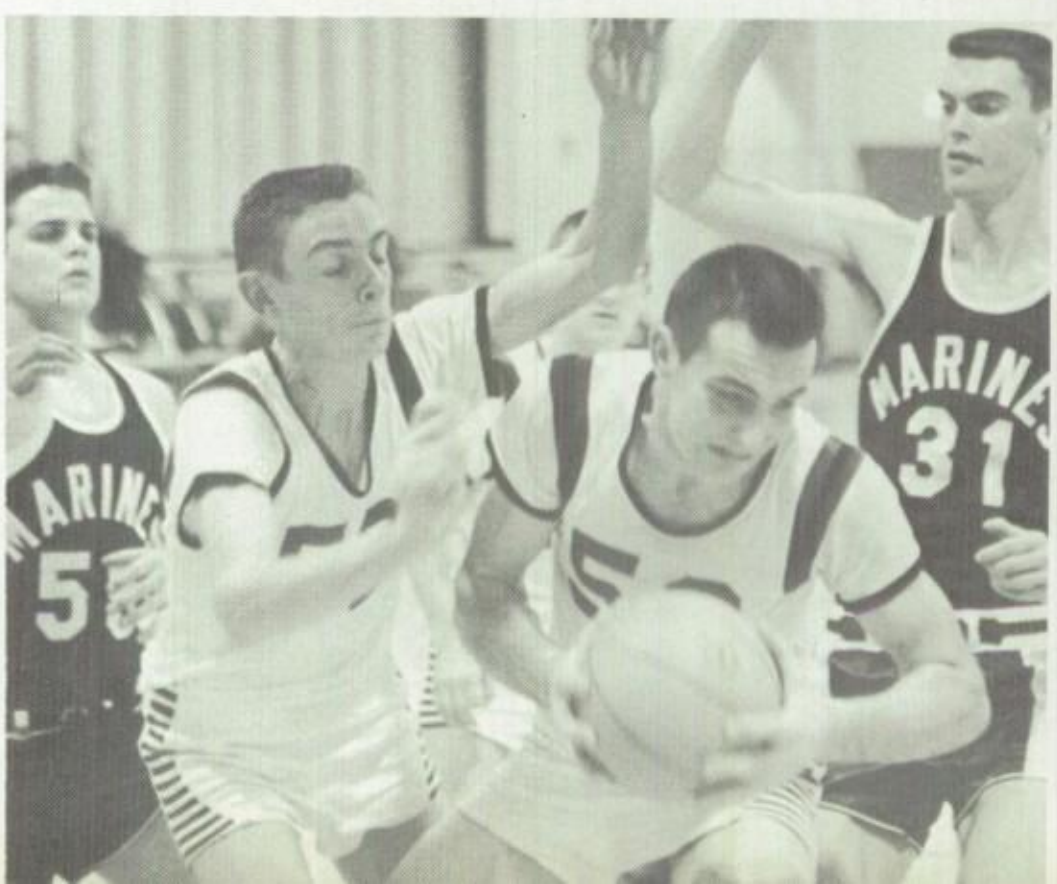
Rog Gusick (15) and Big Davie make for a loose ball in game with Gillett.

Ernie Beaber (23) crack rebound artist and only a sophomore, figures prominently in next year's plans.

Up for the rebound, Ernie Beaber, with support from Les Kostreva (24).

Davie with the ball was top Cougar point getter for the year.



FRONT ROW: J. Carlson, J. Krause, D. Goddard, J. Tachick, D. Krause, D. Meyer, B. Mongin. BACK ROW: D. Margis, P. Wilting, H. Weier, D. Hensler, J. Fenendael, G. Jashinsky, A. Patz, R. Sadowski, Coach Don Frisch.

Some of the boys pictured above will undoubtedly advance to varsity status next year. Those who remain will be augmented by members from the grade school team, perhaps the best grade group in the history of the school. So that Coach Frisch is looking forward enthusiastically to some fine material for next year. With the entire first unit back next year, coupled with a fine group of gradsters coming in, Cougar basketball fortunes are due for an upward swing and strong contention for conference honors.

COLEMAN WRESTLERS.....CONFERENCE...SECTIONAL...AND STATE CHAMPIONS!

The wrestling team won their fourth consecutive Bayland Conference Championship with an 8-0 record and a season's mark of 13-0, extending their matches without a loss to 49 in a row. Though they dropped the Regional crown to Oconto Falls, 93-92, the Cougars topped the qualifiers for the Sectional with six entries and went to Bonduel in earnest to bring home their fifth consecutive Sectional title on the strength of a 59-51 win over runner-up Luxemburg, qualifying all six boys for the State Finals at the Field House in Madison.

Coleman was represented at Madison by four seniors including Jack Vondross, Jerry Krause, Karl Rouse and Frankie Lang, and two juniors, Lynn Hoida and Hilb Kamps. These six boys brought Coleman its second state championship in three years, Vondross winning the state title in the 154 pound class. Hoida taking runner-up honors in the 112 pound weight, Kamps placing third in the 123 pound division after having pressed the eventual champion into an overtime session in the semi-finals, and Krause winning fourth place in the 145 pound class, this after receiving an injury in the quarter-finals that undoubtedly deprived him of a chance to reach the finals.

A well balanced team effort, including the work of Karl Rouse and Frank Lang, brought Coleman the team trophy with 36 points as Milwaukee Custer scored 26 points for runner-up honors, followed by Richland Center and Waupun with 23 points each, Reedsburg 22, Madison West 21, Luxemburg 18, Wisconsin High and Marshfield 17 each, and Sevastopol and Ellsworth tied for 10th with 15 team points.

You can do it,Frankie!

State Champ, Jack Vondross, Re-switching.

CONFERENCE CHAMPIONS--LEFT TO RIGHT: D. Champagne, G. Camps, B. Mongin, D. Krejcarek, J. Krause, E. Beaber, D. Rhodes, R. Wieczorek, R. Camlek, M. Walker, J. Geise, J. Brosig, F. Woulf, J. Bieber, M. L. Zaloudek, J. Salewski, L. Kostreva, J. Boerschinger, E. Banaszak, T. Stank, R. Peterson, W. Bader, J. Klopste, D. Weier and J. Carlson. Name of the trophy bearer is not known.

Coleman's Cougars, perennially a track power in the M & O Conference, won the track and field title by shading Peshtigo 61-58 with a well balanced team effort. Merv Walker and Gary Camps won their specialties, the half-mile run and the discus and Jim Bieber and Ray Wieczorek each placed second in the 100 and shot put as did Jerry Salewski in the mile to pace the Cougars to the conference crown.

Coleman drew the tough Sectional at Shawano and though several of the boys placed just out of range for state qualification, big Ray Wieczorek and Merv Walker won their events and went on down to the State meet at Hartford. Merv, who had been clocked in a 2:06.5 placed 7th, just out of the money, but Ray, with a toss of 46' - 11", placed second in the shot put.

The team voted Jerry Salewski and Mervin Walker co-captains.
